

Christmas Seals to Go on Sale November 20

Forty-fourth annual sale of Christmas Seals will begin this year Nov. 20. The little stamps, familiar to nearly every person in the United States, raise more than \$20,000,000 each year for the fight against tuberculosis. And most of the money comes from purchases of one and two dollars.

The idea originated in 1907, when a Miss Emily Bissell, seeking a way to raise funds for the support of a small tuberculosis sanatorium near Baltimore, Maryland, asked the help of a newspaper, the Philadelphia North American, which had published an article describing the sale of Christmas stamps in Denmark.

These facts were brought out last week by Leigh Mitchell Hodges, Philadelphia newspaper writer, speaking at a Christmas Seal Kickoff meeting at the Elks Club in Los Angeles.
